Dual Degree Program Requirements**

If you are currently a Dental Hygiene student, you have the opportunity to earn a 2nd baccalaureate degree by earning an additional 30-33 credit hours or completing 10-11 additional courses, depending on your major. This dual degree program integrates the dental hygiene curriculum with the administrative management courses needed to manage today's innovative health care delivery systems.

To be awarded a second degree in Health Care Management, students must complete all requirements for the B.S.D.H. degree and complete the following courses:

Area F Lower Division Program Core Requirements			
Course Number	Course	Credit Hours	Grade
ACCT 2101	Principles of Financial Accounting	3	
ITFN 1101	Foundations of Information Technology	3	
ECON 2105	Principles of Macroeconomics	3	
HSCI 2111L or HCMG 3112/L	Introduction to Health Care Environments or Introduction to Allied Health Administration	3 3	
Total		12hrs.	

Upper Division Program Requirements			
(You must complete a total of 21 credit hours, at the upper division level, that were not used to satisfy your Dental Hygiene program requirements)			
Course Number	Course	Credit Hours	Grade
HCMG 3101	Introduction to Health Systems Management	3	
HCMG 3501	Health Care Systems TQM	3	
HCMG 3401	Applied Human Resource Management in Health Care Delivery	3	
HCMG 3901	Marketing in Health Care	3	
HSCI 3520	Legal Issues in Health Care	3	
HCMG 4560	Health Care Finance	3	
HCMG 4500 or HCMG 4901	Health Care Policy or Applied Research	3 3	
Total		21 hrs.
